Before watching: Ask Ss what they know about NYC, any facts, places of interest and what they would like to see if they come there.

While watching: Ss watch video and fill the gaps in the task.

After watching: Check the task, discuss the video and do vocabulary exercises.

Sightseeing Guessing Game

Timing: 10 mins

Materials: cards with NYC sights, their descriptions and names

Procedure: Ss work in teams. They get three stacks of cards - one with pictures of NYC sights, another one with their descriptions and last one with their names. Ss have to match all three cards.

After finishing the game, ask students which of these places they would like to see.

Song New York, New York by Frank Sinatra

Timing: 15 mins

Materials: Worksheet for the song, recording

Procedure: Ss listen to the song and do the tasks.

Follow Up

Timing: 5 mins

Procedure: Ask Ss to say three words (adjective, noun and verb - for example) to describe NYC.

Home Task

Write a postcard describing your visit to NYC.
