About Nathan

Married. Couple of kids. Looking for some side action.
Just kidding. Single. 3 tamagotchi's. Looking for
someone to bring to family events so they'll stop
thinking something's wrong with me.

Two reasons to date me:

1. Because you'd be the good looking one
2. Please

About Shannon

I am a constant work in progress. I'm not who I used to be, but every day is one day closer to what, who and where I want to be.
